

Application No. 10/649,153 10/8
Amendment Dated _____, 2004
Response to Office Action of July 29, 2004

PATENT
Docket Number 1810US01-EE

AMENDMENTS TO THE SPECIFICATION

Please replace the entire specification (including abstract) with the enclosed substitute specification (including abstract). Both a clean and marked up version of the specification are provided. It is pointed out that the substitute specification includes no new matter.
